### Relevant Experience

#### Student Help Desk Technician at Temple University Hospital: **2018 – Present (12 hours per week)**

- Provide networking/desktop support and perform mainframe and account-maintenance tasks.
- Earned commendations for teamwork, flexibility, and work excellence in providing IT support to students and faculty.

#### Iota Nu Delta Fraternity Incorporated (Vice President External): **Fall 2018-Present**

- Organized events with other groups on campus both in the Multicultural Greek Council and the Interfraternity Council at Temple University.
- Manage expenses in for the fraternity in an efficient manner.
- Promote the understanding of the diverse South Asian cultures through relevant events on campus which offer philanthropic value to the Greek community.
- Organized the *Find the Match Bone Marrow Drive* to help support people with life-threatening blood cancers by operating a donor drive where swabs are taken by the public and entered into a registry.

#### Emerging STEM Scholars Program: **Fall 2017-Present**

- Applied for program in the Summer of 2017
- Worked as a team with a group of highly motivated individuals in the STEM community to mentor peers to make the transition from high school to college much smoother.
- Students in this program are offered different opportunities to network with Temple Alumni to further ensure a bright future at Temple University and after graduation.
- Opportunities include research positions, guest lectures based on field of study, advanced notices for networking events, and personal tutoring sessions.

#### Philly Philanthropy (Student Organization) Founder: **Spring 2020**

- Organize weekly meetings to ensure planned philanthropic events run smoothly.
- Planed *Annual Broad Street clean up* where active members spend the day cleaning up a strip of Broad Street where other Student Organizations/Greek Life are invited to join us in the effort to make Philadelphia cleaner.
